***New Stormwater No-  
Nos Taking Effect***

\*No blowing or placing of grass clippings on the street curb line.

\*No longer able to drain swimming pools onto the street. This is now required to be placed in the municipal sewer system through your dwelling. There will be no more sewer credits for pool water use, beginning 2019.

***Sewer Backup or  
Water Leak***

If you have a sewer line backup or a water leak after normal Boro working hours 7 a.m.- 3:30 p.m. weekdays, you should first contact your plumber to see if it is in your service line. If you call the Boro during closed periods and an employee responds and identifies the issue as the property owner's responsibility, the Boro will bill the owner for the cost of the response.

***Street Lights***

If a street light is not working properly, write down the address where the pole is, along with the two sets of numbers on the pole and call the Boro Office. We will then contact PPL to repair it.

***Airbnb Restrictions***

Airbnbs, VBROs and other similar type rental activities are not allowed in the Boro's Residential zoning districts. If you have any questions about this, call the Boro Office.

***Building Permits***

No work should be done on your structure or property without first contacting the Boro Office to see if a Building Permit is required.

**Boro Office Drop Box**

Boro Office Hours are: Mon-Fri, 8 a.m. to 4:30 p.m. There is a drop box for payments next to the front door. If a bill is due on a Friday or over a weekend, be sure it is in the drop box before 7 a.m. Monday morning or it will be delinquent.

**Pet Owners**

Dogs and cats are not allowed to be loose off of an owner's property, & must be cleaned up after when walked. ATTENTION: If you are feeding a stray cat, you will be held responsible for that animal & be considered its owner.
