Read this flyer for tips on getting started.

EAGLE DISPOSAL IS BEGINNING A MOBILE TRASH & RECYCLING CART PROGRAM FOR YOUR MUNICIPALITY.

As part of your municipality contract with Eagle Disposal, we are offering, at no cost to our customers, a mobile cart for trash & recycling service to each home in your municipality. The container with the black lid is for trash, please bag your trash and place inside the container. The yellow lid container is for recycling, place all your recyclables in this container.

Thank you for your assistance!

It's Easy!

When you recycle with Eagle Disposal, you put all your recyclables into a specially designated container with a yellow lid. **NO SEPARATION NEEDED!** For trash disposal, please bag all trash and place it in the cart with the black lid

TIPS ON PROPER MOBILE CART PLACEMENT

Please be advised that all mobile carts should be placed **BEHIND THE CURB** and not on the street. There should be nothing placed in the roadway that would impede or delay the removal of snow or ice from the road. The truck arm has the capability to reach past the curb in order to pick up your cans.

Here are some tips to ensure a smooth collection process:

- Set mobile cart out the night before your pickup day.
- Place mobile cart with the lid opening towards the road.
- Do not place cart in the roadway.
- DO NOT block walkways with carts.
- Place carts at least **THREE FEET APART** from each other and mailboxes, fire hydrants, low hanging trees or shrubs, parked cars, or utility poles - so trucks can easily access the cart.
