Recycling Update

New Holland Borough is now following the County's recycling guidelines.

RECYCLE THE BIG 4—Corrugated Cardboard, Plastic Bottles and Jugs with Necks (throw away the lids), Metal Food and Beverage Cans, Glass Bottles and Jars. Newspaper is no longer able to be included with your recycling materials.

When in doubt, **THROW IT OUT!** Lancaster County has a waste-to-energy process that converts trash into renewable energy.

If you need a new recycle bin, you are able to purchase one at the Borough Office during business hours for \$10.

Street Sweeping Schedule

[Summer sweep 6/30 (Rain: 7/1)--main arteries.]

Yard Waste Bag Locations

Yard waste bags are now available for purchase from the Borough Office during regular business hours for \$.50 each. Please bring exact change. They will also be available at the Golf Shop in the Seymour building at Community Memorial Park during the day, evenings, weekends and holidays unless the shop is closed due to the weather.

JUST FOCUS ON THE **BIG 4** & PLACE ONLY THESE ITEMS IN YOUR BIN.

It's okay to throw *everything else* away. It will be turned into energy.
Lancaster County has an advanced waste-to-energy process that converts these materials into renewable energy, powering local homes and businesses and helping to reduce our reliance on non-renewable sources of energy.
So, when in doubt, throw it out.

Pool & Golf Info

Pool membership forms are available on the Borough's website and at the office. A \$10 pool membership discount is applied if paid by 5/20. If you purchase a full season, family pool pass, you will receive two (2) free one day adult pool passes to use during the season. Info is on the Borough's website or in the office. If you are interested in private lessons, please contact Leo Ward (717-629-1902) for additional info. The NH Swim Team is open to children K-12 who can swim the length of the NH Pool (25M). Registration is: Saturday 4/4, 10 a.m.-noon at ELANCO Library, or online at: www.newhollandswimteam.com.

Pitch-n-Putt memberships are on sale at the Borough Office or at the Golf Shop Office when the attendant is on duty. Rates: Daily \$3 for 9 holes; \$5 for 18; Family Membership: \$130; Single: \$100

Census Time

The Questionnaire from the Census Bureau should have already been received by most property owners.

People are encouraged to return this Questionnaire. U.S. Census workers were originally set to visit neighborhoods in April for possible additional info. Should a Census Taker visit your property to otherwise collect information they should have a clear photo ID badge, with an expiration date included. They may also be carrying Census Bureau bags with the Bureau logo. Should you still have any questions or concerns, you may call the regional Census Center, which for this area is Phila: 267-780-2600.

Street Overlay Work Scheduled

The major street overlay work planned by the Borough this year is scheduled for S. Kinzer (Main to the railroad tracks), Mentzer (Main to Conestoga) and E. Cedar (Kinzer heading west). The work is projected to begin in mid-June. Affected property owners will receive additional info closer to the time.

July 4th Fireworks

The New Holland Summer Arts Council has again scheduled a special Fireworks display set for the New Holland community on Sat., July 4th at dark. The display is to take place on the lot behind the Grace Family Church, which is along S. Kinzer Ave. (Rain date: 7/5)

Smoke Detectors Save Lives

If you have not done so already, July 4th is an easy summer time reminder to check the batteries in your Smoke Detectors. Be sure that the Detectors are in working order; and that they are properly located (at least one on every floor and in each bedroom).

Yard Sales

You must register at the Borough for a YARD SALE and may only use Borough signs around town. Earl Twp. residents are reminded that only signs obtained from the Borough Office may be posted in the Borough, all others will be removed.

Building Permits

No work should be done on your structure or property without first contacting the Borough Office to see if a Building Permit is required.

Wastewater Collection Line Replacement Project to Begin

The project to replace a major section of the old, original wastewater collection line in the southwest section of the Borough is set to begin. This is the line that runs along the north side of the railroad tracks from Brubaker Avenue, eastward across Diller, to a cross-over point to Hinkle Drive. The new line is to be removed from railroad property. This @\$425,000 project was awarded by low bid by the Borough Authority to local contractor Gerald G. Martin and Sons Excavating. The work is projected to take about two months depending on weather. The Authority extends its appreciation to these property owners impacted by the project for the contribution of the easement areas needed to relocate away from the railroad tracks.
