

Quick Notes

January 2019

NEW WELL REGULATORY PROCESS CONTINUES

A formal Notice of Application letter as required by the Susquehanna River Basin Commission as part of its regulatory process is on the back side of this Newsletter. The letter indicates the water draw-down amount involved with the long awaited new well planned for the northwest corner of the Groff Memorial Park property. It is hoped that construction on the new well will be able to begin in late 2019.

TAX REMINDER

When paying your Spring Taxes at the Borough Office, be sure to bring both halves of the bill so your half can be receipted! There is a \$1 charge for a copy of the paid tax receipt.

REFUSE & RECYCLING REMINDERS

The Borough's Refuse program cost for 2019 is \$195. There is a \$10 discount if you pay for Refuse for the entire year by 2/1/19. If you wish to do this, simply add \$185 to the total water/sewer amounts. If you are on the Borough's Refuse program, the following items are still recyclable: #1 & #2 plastic bottles with necks; aluminum and steel cans; glass jars/bottles; all dry/clean cardboard including food boxes and newspapers. All of these items can go in the same recycling bin. Cell Phones, CFLs and unused/unwanted medications can be dropped off at the Borough Office M-F: 8-4:30.

New Year's Refuse/Recycling Pickup: 1/4

Christmas Tree Pickup: 1/10—do NOT put the tree in a bag

Yardwaste Pickup starts: April 4

SNOW REMOVAL REMINDER

Snow/ice is to be removed from sidewalks within 12 hours after a snow fall. It is NOT to be placed on the street. Vehicles must be removed from the end of a cul de sac during a snow fall so that plowing may occur.

SEWER BACKUP/WATER LEAK

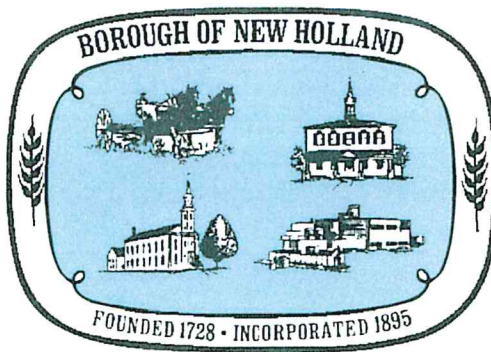

If you have a sewer line backup or a water leak after normal Borough working hours, 8 a.m.- 4:30 p.m. weekdays, you should first contact your plumber to see if it is in your service line. If you call the Borough during closed periods and an employee responds and identifies the issue as the property owner's responsibility, the cost of the response will be billed to the owner.

Re: New Holland Borough Authority Notice of Application – Well No. 5, SRBC Pending
No. 2018-119, New Holland Borough, Lancaster County, Pennsylvania

Notice is hereby given that on November 13th, 2018, the New Holland Borough Authority, (436 East Main Street, New Holland, PA 17557) J. Richard Fulcher, jrf@newhollandborough.org, (717-354-4567) filed a withdrawal application (SRBC Pending No. 2018-119) with the Susquehanna River Basin Commission (SRBC) for a water withdrawal. The New Holland Borough Authority has proposed to withdraw up to 864,000 gallons per day (gpd) from Well No. 5 at a location on property owned by New Holland Borough in New Holland Borough, Lancaster County, Pennsylvania. The water will be used for public drinking water supply.

Comments related to the application should be submitted to the attention of: Manager, Project Review; Susquehanna River Basin Commission; 4423 North Front Street, Harrisburg, PA 17110-1788; telephone: (717) 238-0423; fax: (717) 238-2436; e-mail: projectcomments@srbc.net. Comments also may be submitted on SRBC's Water Application and Approval Viewer at <https://mdw.srbc.net/waav>. Please include the above SRBC pending application number on any correspondence.

Jacob W. Musser, Chairman
New Holland Borough Authority
