Special Activities Day at Community Park October 21

An exciting day of community activities is scheduled for Saturday, October 21.

- Police Department Shred-It Event. The community is invited to bring your old confidential documents and files to the Park between 9 a.m.–Noon. Officers will be there to collect the documents and ensure they are shredded on-site (2 box limit).

- Collection of old TVs: Along with the Shred-It activities, you may drop off your old TV for recycling during this time. Old, big screen projection TVs and other electronic items will NOT be accepted.

- You can also bring non-perishable food items to drop off for the CrossNet Food Pantry. A list of the current food needs can be found on their website at elancocross.org.

- Chicken BBQ: During the time of the Shred-It and TV drop off activities, the NH Kiwanis Club will be holding a Chicken BBQ by Riehl's BBQ of Terre Hill, until 1 p.m. Pre-sale tickets can be purchased (1/2 chicken \$8) from any Kiwanis member. Chicken can also be purchased the day of the event.

Borough Airbnb Regulations

In an effort to maintain the quality of life and property values in its traditional residential neighborhoods, such things as Airbnbs, VRBOs (any short term rentals) are NOT permitted in the Borough's residentially zoned neighborhoods. As this type of activity may lead to numerous problems, everyone is urged to help protect the community by helping monitor for and reporting any appearance of such activity to the Borough Office.

up: Friday, 11/24

Council Meetings—1st
Tuesday of each month at
7 p.m. in Borough Hall.
The public is invited.

Butterfly Garden Update

Significant preconstruction activities have progressed. The Garden's Memorial Butterfly wall has been received and is in storage. The walkway lamp posts have been received and are also in storage. The two large wooden entranceways as constructed by the Garden Spot Village Woodworking Club are completed and ready. Additional smaller Garden attraction elements are also ready for use. The main leveling and infrastructure placements are expected to take place following Thanksgiving. The actual plantings may then wait for a Spring planting. It appears the extension of the construction and installation period has been a benefit to the Garden phase due to the severe hot spells at the beginning and again in late summer. Additional donations will be utilized for educational and environmental enhancements. The Buy a Brick program also remains available:

www.bricksrus.com/donorsite/butterflygarden.

Borough Pickleball Courts Effort Underway

The two tennis court areas at Community Memorial Park are seriously deteriorating and needing major rehabilitation. The Borough is working with the Community Memorial Park Association Board and a local group of pickleball players to convert one of the two court areas into pickleball use only. The projected cost for these activities is \$318,409. To help make this a reality, the Borough has applied for a grant from the state of \$250,000 to partially support this project. The fundraising for the local portion is underway and donations can be made out to the Community Memorial Park Association, PO Box 62, New Holland, PA 17557; with the donation marked for the pickleball courts project.

Snow Removal

Snow and/or ice is to be removed from sidewalks within 12 hours after a snow fall. Vehicles must be removed from the end of a cul de sac during a snow fall so that plowing may occur.

Christmas on Main November 25

The seasonal, old fashion day of downtown holiday fun is again being held by the NH Business Association on Saturday 11/25 with events from 9am-7pm. This will include food vendors, a Christmas market, carriage rides and a new laser light show! Come visit Santa at Towne Centre Green, followed by the lighting of the Christmas Tree. Vendors open at 9 a.m. Many businesses will be holding special activities outside the front of their businesses. For more info, visit: www.christmasonmain.com.

Yard Waste & Battery Collection

The last weekly yard waste pickup is 10/5. The fall leaf/yard waste collection dates are: 10/19, 11/2, 11/16, 11/30, 12/14. The bags may be purchased for 50¢ each at the Borough Office or the Golf Shop when open. Leaves and grass are not to be blown, gathered or placed on the street or against the curb.

Put alkaline batteries in battery bags & place them on your trash toter. Take Rechargeable batteries to LCSWMA for proper disposal. More info visit: www.lcswma.org/resources/safe-battery-disposal
