## *Special Activities Day at Community Park November 9*

An exciting day of community activities is scheduled for Saturday, November 9.

- Police Department Shred-It Event. The community is invited to bring your old confidential documents and files to the Park between 9 a.m.– Noon. Officers will be there to collect the documents and ensure they are shredded on-site (2 box limit).

- Collection of old TVs: Along with the Shred-It activities, you may drop off your old TV for recycling during this time. Old, big screen projection TVs and other electronic items will NOT be accepted.

- You can also bring non-perishable food items to drop off for the CrossNet Food Pantry. A list of the current food needs can be found on their website at [elancocross.org](http://elancocross.org).

- Chicken BBQ: During the time of the Shred-It and TV drop off activities, the NH Kiwanis Club will be holding a Chicken BBQ by Riehl's BBQ of Terre Hill, until 1 p.m. Pre-sale tickets can be purchased (1/2 chicken \$8) from any Kiwanis member. Chicken can also be purchased the day of the event.

## *Traffic Signal Woes*

Four of the traffic signals along Main street within the Borough remain on the default cycling system due to the continuing delays in the ability to obtain the needed parts. No set delivery times are provided.

## *Borough Airbnb Regulations*

In an effort to maintain the quality of life and property values in its traditional residential neighborhoods, such things as Airbnbs, VRBOs (any short term rentals) are NOT permitted in the Borough's residentially zoned neighborhoods. As this type of activity may lead to numerous problems, everyone is urged to help protect the community by helping monitor for and reporting any appearance of such activity to the Borough Office.

## *Butterfly Garden Underway*

The Park Association's sponsored Butterfly Garden project on the Borough's North Railroad Avenue wellhead protection area is underway. Local business Gerald G. Martin and Sons is leading the way with the initial larger scale earthmoving portion.

Other major elements are set to then follow including the electrical and lighting system, plantings of the butterfly/pollinator's section as well for the surrounding rain gardens and open lot areas, installation of the concrete butterfly and memorial bricks, handicapped pathway paving and fencing. It is planned to be opened to the public in the spring. The Buy a Brick memorial program continues and is available through:

## *New Courts In Play*

The Borough's new tennis and pickleball courts at Community Memorial Park are now open. Based on the initial response, they have been excitedly received by people throughout the area. The more than \$265,000 project was supported by a grant of \$125,000 obtained through the support of state Rep. Keith Greiner and state Senator Ryan Aument. A local group of pickleball enthusiasts also raised \$11,200 for the project. Some landscaping work is still to be completed this fall. The pickleball group is currently following up with a small fundraising effort to obtain court divider netting to enhance the quality of play. Those interested in supporting this effort should contact Mr. Nguyen, at 717-808-3255.

## *Snow Removal*

Snow and/or ice is to be removed from sidewalks within 12 hours after a snow fall. Vehicles must be removed from the end of a cul de sac during a snow fall so that plowing may occur.

## *Christmas on Main 11/30*

The seasonal, old fashion day of downtown holiday fun is again being held by the NH Business Association on Saturday 11/30 with events from 9am-7pm. This will include food vendors, a Christmas market, jugglers, carousel, laser light show and carriage rides. Come visit Santa as he arrives by firetruck at Towne Centre Green, followed by the lighting of the Christmas Tree. Vendors open at 9 a.m. Many businesses will be holding special activities outside the front of their businesses. For more info, visit: [www.christmasonmain.com](http://www.christmasonmain.com).

## *Yard Waste & Battery Collection*

The last weekly yard waste pickup is 10/17. The fall leaf/yard waste collection dates are: 10/31, 11/14, 11/29, 12/12. The bags may be purchased for 50¢ each at the Borough Office or the Golf Shop when open. Leaves and grass are not to be blown, gathered or placed on the street or against the curb.

Put alkaline batteries in battery bags & place them on your trash toter. Take Rechargeable batteries to LCSWMA for proper disposal. More info visit: <https://www.lcswma.org/resources/safe-battery-disposal/>
